Elementary  
Urduja Elementary School 2010-2016

High School - Senior High School  
Caloocan City Business High School 2016-2022

College  
National University Fairview 2022-Present

## DUTIES AND RESPONSIBILITIES:

### System Maintenance and Support:

Perform routine maintenance tasks, updates, and system checks to optimize performance.

### Technical Support:

Provide technical assistance to end-users, addressing hardware, software, and network issues.

### Network Management:

Set up and maintain computer networks, ensuring connectivity, security, and efficient data transmission.

### Software Development and Programming:

Code, debug, and troubleshoot software to ensure it meets quality standards.

## SKILLS AND QUALIFICATIONS

### Programming Languages:

Proficient in languages such as Java, Python, C++, or others relevant to your expertise.

### Web Development:

HTML, CSS, JavaScript, and familiarity with web development frameworks (e.g., React, Angular).

### Database Management:

Experience with database systems such as MySQL, Oracle, or MongoDB.

### Software Development:

Knowledge of software development methodologies and practices. Experience in coding, debugging, and testing software applications.

### Networking:

Configuration and maintenance of routers, switches, and firewalls. Understanding of TCP/IP, DNS, DHCP, and other networking protocols.

### Operating Systems:

Proficient in Windows, Linux, and possibly Unix operating systems.
